

**Request for Proposals for Selection of agency for producing tourism related promotional films for
Uttarakhand Tourism Development Board**

It is clarified and confirmed that UTDB does not suggest inclusion or exclusion of Anchor or Anchors. It is for the bidders' choice to include Anchor or Anchors as per their respective Script requirement.

However, in case Anchor or Anchors are proposed to be included, their names should be given in the Technical Proposal and their respective fees should be indicated in the BoQ.

As this clarification does not warrant additional time for preparation of the Proposals, the last date for bid submission remains unchanged i.e., till 2:00 PM on 10th February 2020
