

The Sunshine State

Uttarakhand ... where each winter morning, rises in glorious sunshine ... revealing the snow-crowned Himalayan peaks ... drenched in the soothing sunshine.

Take a break from the fog and the extreme dry winters of the plains and head straight for the hills of Uttarakhand. Watch with wonder, the spectacular sunrise on the green pristine peaks and feel the warmth seep in to your skin.

So sip off your tea. And head straight for Uttarakhand.

*Uttarakhand...
Simply Wonderful*
