1. Kedarnath Vasukital Trek

Grade: **

Summer - 6 days

Kedarnath is at an altitude of 3584m. A magnificent temple was built by the Pandavas at the base of Kedarnath peak’s south-eastern face, and millions of pilgrims now come to offer their prayers to Lord Shiva.

The trek starts from Gaurikund, where there is a hot water Sulphur Spring. While approaching Kedarnath, one passes through forests and comes across some beautiful Waterfalls enroute. Kedarnath to Vasukital is a continuous ascent, offering a great trek. The view of Chaukhamba peaks and Mandakini Valley is wonderful from here.

Vasukital Lake is about 1/2 kms in radius with crystal clear water.

Garhwal - the abode of the Gods attracts men and women in hordes from all over the world.

In a quest for nature, they come to Garhwal, and in the bargain go back changed forever; probably having found their inner selves in a way.

This is the magic of Garhwal. Come... lets explore this magic.
